Bankruptcy Case No. 10-38621-cgm

Debtor

**NOTICE REQUESTING AN ENLARGEMENT
OF TIME** to complete my schedules and
other documents due to illness, financial
hardship and to locate needed information.

NOTICE REQUESTING AN ENLARGEMENT OF TIME to finish my schedules
and documents due to illness, financial hardship and to locate the
information I needed in order to complete these documents.

I, Richard Enrique; Ulloa, do request to this honorable court for an enlargement
of time pursuant to Federal Rules of Civil Procedure Rule 6(B) Enlargement and
request that I be given until February 11, 2011 as I have not been able to find my
papers and still can not locate a lot of my papers. My asthma has been very bad
and I am under extreme stress, I have been ill through all of this. I have been
working on figuring out the bankruptcy schedules and other forms so I can do
them correctly plus I have had extreme financial hurdles to overcome.

A family member has been and is extremely ill due to my lack of enough income
to get the needed medicines, which run a minimum of \$1,300.00 per month, due
to my income being garnished for the last 6 to 8 weeks which is extremely
serious and has created a medical crisis and has caused additional medical
expenses and needs. I may be forced to use the family medical emergency leave
act. I have had to do so in the past, which of course stops all income.

Therefore I, Richard Enrique; Ulloa, requests that the court grant me this
enlargement of time until February 11, 2011 to file my schedules and other
documents or in the alternative what ever this court may deem just and proper.

I, Richard Enrique; Ulloa, reserves the right to amend this document at any time
necessary without leave of court,

Submitted this 13th Day of December, 2010.

Richard Enrique
